

CHRISTOPHER FUZY WITH DR NICOLE PINKERTON

CHRISTOPHER FUZY MS, RD, LD

founded his nutrition counselling company in 1990. His practice provided private consultation to individual patients and training and provided consultation to physicians and health organizations to help them implement similar programs for their patients. To date he has trained over 900 physicians, nurses and medical assistants.

Mr Fuzy's background and education:

- Bachelor's degree in Food and Nutrition, minor in Chemistry
- Master's degree in Clinical Dietetics and Sports Nutrition
- Worked as Head of the Clinical Nutrition Department and Senior Clinical Dietitian in the hospital setting prior to opening his own consultation service
